## THE WALK-ON'S STORY

### The Journey Begins

As LSU basketball walk-ons, Brandon Landry and Jack Warner visited sports bars and restaurants across the country and recognized the need for a go-to place in their hometown of Baton Rouge. The concept took shape at 35,000 feet as they sketched their vision on the back of a napkin while the team flew home from the University of Tennessee.

### Walk-On's is Born

The idea: a sports restaurant built on culture and the underdog mindset, where no single player is bigger than the team.

### Winning Today, Tomorrow & Beyond

Despite having little business experience and even less financial backing, Walk-On's opened on September 9, 2003, in the shadows of LSU's Tiger Stadium. Today, with more than 100 locations in the works, Walk-On's operates with a purpose of bringing people together and the vision of being more than a restaurant to its teammates and guests.
