★ All-Star Item

* Hamburgers may be cooked to order. Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions. Please be aware that during normal kitchen operations involving shared cooking and preparation areas, including common fryer oil, the possibility exists for food items to come in contact with other food products. We recommend that our guests with food allergies or special dietary needs consult with a restaurant manager prior to placing an order. 2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutrition information available upon request.
